

CITY
OF
PALM VALLEY
BUDGET
(adopted)
2022-2023
September 14, 2022

Prepared by: City Council City Staff

City of Palm Valley

"Home of The Harlingen Country Club"

September 8, 2022

Citizens of Palm Valley .

The following is a summary of our city's proposed budget for Fiscal year 2022-2023, which begins on October 1, 2022, and ends on September 30, 2023.

The budget was prepared by City Staff and the City Council, during our annual budget workshop, which was held on August 27, 2022. This year's budget reflects no property tax increase. The City's Property Tax Rate will remain at \$.0515463/\$100, generating \$661,892 in property tax revenue.

The proposed budget for the Fiscal year 2022-2023 incorporates the necessary financial strategies to fund the operations of the city, while maintaining financial stability into the future. This proposed budget further reflects the City Council's commitment to addressing the needs of a growing city. The City will remain focused on delivering core services while also finding innovative ways to provide those services with greater efficiency, higher effectiveness, and transparency.

This year's budget is a conservative plan to improve our community while maintaining a property tax rate that is among the lowest in the Rio Grande Valley. It includes funding to maintain competitive salaries and benefits, for retaining and attracting staff, and to replace and to upgrade vehicles and equipment for operational requirements, and to improve city infrastructure projects.

We would like to invite citizens to review the City of Palm Valley's Proposed Budget Plan. The Fiscal Year 2022-2023 proposed is scheduled to be adopted by the Council on September 14, 2022, at 6:00 p.m. The proposed budget would take effect on October 1, 2022.

Respectfully,

Eric Hoff Mayor Pro Tem City of Palm Valley This budget will raise more revenue from property taxes than last year's budget by 2.08% and of that amount \$13,547 is tax revenue to be raised from new property added to the tax roll this year.

The budget addresses the Council's community priorities and focuses on basic city services. It provides significant investment in public safety, drainage infrastructure, water and wastewater, internal security controls, and employee retention by:

- Providing well-equipped Public Safety personnel
- Improving access and operations of Wastewater and Water System Plants
- Implementing Stormwater Drainage Improvements in Palm Valley South
- Increasing our city staff by two
- Increasing salaries of employees in a competitive marker
- Providing streamlined Information Technology to improve citizen communication, implement internal security controls, and create new cyber security implementations.
- Hiring and Training of a new City Secretary
